#### 06.01.2021 North Lincolnshire Councillors Report

Cllr J Walshe provided the following report -

The Meadows - A flood meeting has been held with all parties (NLC, IDB & Severn Trent). There has been some short-term maintenance work carried out. Longer term there is an action plan to be drawn up. There will be a meeting late February when an outcome should be provided.

There is no Action Plan at present; due to it being upgraded.

NLC have ordered sandbags and pumps for the forthcoming flooding that is expected soon.

Stone Lane - An Officer at NLC is looking into the possible Compulsory Purchase of the land to see if this is feasible.

It may be an easier solution to obtain consent from the owner to give permission for a Contractor to maintain the land in the short term.

Cllr S Roach asked if Cllr J Walshe can keep him informed on the Stone Lane issue and to relay information to him as soon as any updates are known.

Cllr D Oldfield informed the Stone Lane issue has been going on for over 20 years now and needs a solution soon, as it is an eyesore.

General - There are now 4 Covid19 vaccination centres in North Lincolnshire and they are rolling out the vaccines.

The Chairman of the Parish Council had spoken to the Representatives of the Burringham in Bloom group and it was agreed with them that we would apply for the Spring in Bloom grant and that they would work with us to the benefit of the village. Our Ward Representative from NLC stated that he had also applied for the grant. The Chairman stated that our Ward Representative seemed to have a cavalier attitude which creates a bit of confusion as the Ward Representative doesn't wish to inform the members of the Burringham in Bloom or the Parish Council of his actions.

Cllr R Kissaglis asked if Cllr J Walshe can liaise with the Parish Council in future to prevent duplication.

07.01.2021 (a) - Planning Applications - none
